The Board of Directors proposes that the Annual General Meeting authorizes the Board of Directors to decide upon repurchase of a maximum of 4,500,000 company's own shares ("Share repurchase authorization").

Shares will be repurchased by using unrestricted equity either through a tender offer with equal terms to all shareholders at a price determined by the Board of Directors or otherwise than in proportion to the existing shareholdings of the company's shareholders in public trading on the NASDAQ OMX Helsinki Ltd (the "Helsinki Stock Exchange") at the market price quoted at the time of the repurchase.

The price paid for the shares repurchased through a tender offer under the authorization shall be based on the market price of the company's shares in public trading. The minimum price to be paid would be the lowest market price of the share quoted in public trading during the authorization period and the maximum price the highest market price quoted during the authorization period.

Shares shall be acquired and paid for in accordance with the Rules of the Helsinki Stock Exchange and Euroclear Finland Ltd.

Shares may be repurchased to be used in implementing or financing mergers and acquisitions, developing the company's capital structure, improving the liquidity of the company's shares or to be used for the payment of the annual fee payable to the members of the Board of Directors or implementing the company's share-based incentive plans. In order to realize the aforementioned purposes, the shares acquired may be retained, transferred further or cancelled by the company.

The Board of Directors will decide upon other terms related to share repurchase.

The Share repurchase authorization is valid until the end of the next Annual General Meeting.

The subscription price of new shares shall be recorded to the invested unrestricted equity reserves. The consideration payable for company's own shares shall be recorded to the invested unrestricted equity reserves.
