

PRESS RELEASE

Halmstad 10 March, 2015

Linus Hägg appointed Chief Financial Officer

On 6 May Linus Hägg will replace Thomas Johansson as the company's Chief Financial Officer. Thomas, who has now chosen to leave the company, has since the start 2008 built up the company's finance function from a blank slate to the standard required for a listed company in Sweden. We are deeply grateful for Thomas' commitment and his contribution to the company's growth.

Linus Hägg, who since 2011 has worked in parallel with Thomas as Head of Corporate Finance, is well familiar with the company's procedures, which should ensure a smooth succession.

Leif Jansson, who is in charge of investor relations, land leases and acquisitions, will now also take up the post of Human Resources Director, a role which Thomas also held.
