Industrivärden confirms notification to the police regarding listening devices on its premises

On Friday Industrivärden filed a police report regarding suspected illegal interception of its premises after listening devices has been found. There are no indications of hacking or similar.

As long as the police investigation is ongoing Industrivärden will not leave any additional comments to this.

Stockholm, March 21, 2015
AB INDUSTRIVÄRDEN (publ)

Anders Nyberg, General Counsel

► Long-term investor and active owner in internationally active Nordic quality companies

Through a professional investment operation and active ownership, the business mission is to generate high growth in net asset value and thereby enable a long-term total return for the shareholders that is higher than the average for the Stockholm Stock Exchange. Based on substantive knowledge in strategic company development and corporate governance, financial strength and an extensive network, active ownership is exercised through board representation. Industrivärden thereby contributes to maximizing the portfolio companies' growth in value over time. Since its establishment seventy years ago, Industrivärden has generated long-term competitive shareholder value at a low cost and low risk.
