ING CEO Ralph Hamers to present at Morgan Stanley conference

Today, ING CEO Ralph Hamers will address the Morgan Stanley European Financials Conference in London.

In his presentation, Mr. Hamers will elaborate on industry developments, ING Bank's business model and the implementation of ING Bank's 'Think Forward' strategy. In that context he will show the development of the number of primary customers, examples of the increased pace of innovation in order to improve the customer experience and the growth in focus areas like consumer and SME lending and Structured Finance.

In the context of ING's 2014 results, which were announced in February, Mr. Hamers will also highlight ING's strong capital position following the reduction of ING's stake in NN Group in February and the divestment of the remaining stake in Voya Financial in March.

Today's presentation by Ralph Hamers can be viewed/downloaded via ING's corporate website www.ing.com or via www.slideshare.net/ING/morgan-stanley-2015.
