The LTI 2015 is expected to result in costs of MSEK 1.6 annually for Concentric if participants invest to their individual limits, and full vesting and annual 15 per cent share price growth is assumed. In addition to this, social security charges will apply in the year of vesting, 2018. Social security charges are expected to be expensed to an amount of MSEK 0.5 annually based on the same assumptions.

Issue of warrants and approval of transfer of warrants

As one of several options to secure a cost-efficient supply of Concentric shares for transfer under the LTI 2015, the AGM adopted the board's proposal to issue, free of charge, 180,000 warrants to its wholly-owned subsidiary Concentric Skånes Fagerhult AB. Should the board choose the option to utilize the warrants for delivery of shares under the LTI 2015, the dilution effect will total 0.4 per cent, otherwise the warrants will lapse and the dilution effect be nil.

Furthermore, the AGM resolved to approve that Concentric Skånes Fagerhult AB, on one or more occasions, may transfer warrants to the participants in LTI 2015 in accordance with the terms and conditions of LTI 2015, and otherwise dispose of the warrants in order to cover costs related to, and fulfil obligations occurring under, LTI 2015.

Acquisition of the company's own shares shall be made on Nasdaq Stockholm, for the purpose of, inter alia, increasing the flexibility for the board in connection with potential future corporate acquisitions, as well as to be able to improve the company's capital structure and to cover costs for, and enable delivery of shares under, the LTI 2012 - LTI 2015. The company's total holdings of own shares must not at any time exceed 10 per cent of the total number of shares in the company.

The maximum number of shares that may be transferred is the total number of own shares held by the company at the time of the transfer.
