TDC restated factsheet

TDC implements a number of changes in the financial reporting. A restated factsheet with comparative figures from Q1 2013 to Q4 2014 and a presentation of the changes is therefore now available on TDC's website and attached to this release.

TDC reallocates all domestic interconnect revenue from Consumer and Business to the Wholesale division.

Further, there are minor changes in the internal settlements and organizational changes; the largest change is the handset sales to business customers, where the responsibility has moved from Consumer to Business.

Finally, other minor changes can be seen in the attached presentation
