Resolution in respect of appropriation of the Company's profit or loss (item 10)

The Board of Directors¹ proposes a dividend for the financial year 2014 of SEK one (1) per share. As the record date for the dividend, the Board of Directors proposes Monday, May 18, 2015. If the Meeting approves the proposal, the dividend will be paid through Euroclear Sweden AB on Thursday, May 21, 2015.

Resolution in respect of guidelines for compensation to senior executives (item 15)

It is the aim of Tethys Oil to recruit, motivate and retain executives capable of achieving the objectives of the Group, and to encourage and appropriately reward superior performance in a manner that enhances shareholder value. Accordingly, the Group operates a Policy on Remuneration which ensures that there is a clear link to business strategy and a close alignment with shareholder interests, and aims to ensure that executives are rewarded fairly for their contribution to the Group's performance.

The remuneration package of the executives in the Group (which includes the Managing Director, the Chief Financial Officer and the Executive Vice President Corporate Development) contains five components: a) basic salary; b) pension arrangements; c) yearly variable salary, including right to participate in share based long term incentive programmes; d) non-financial benefits; and e) severance payments. The Board of Directors may deviate from the guidelines if there are particular grounds for it. More details are to be found in the Board of Directors' full proposal.

Resolution in respect of a Nomination Committee and nomination procedure for the Annual General Meeting 2016 (item 16)

The representatives of the Nomination Committee shall be appointed through a procedure where the Chairman of the Board of Directors contacts the three largest shareholders based on shareholders statistics from Euroclear Sweden AB as per 30 September 2015, and that such shareholders each appoints a representative to, together with the Chairman of the Board of Directors, constitute the Nomination Committee up until the next Annual General Meeting, or, if applicable, up until a new Nomination Committee has been appointed. If the Chairman of the Board of Directors, directly or through companies, would be one of the three aforementioned largest shareholders, the Nomination Committee shall be composed of three members only (the chairman and the two representatives appointed by the other two large shareholders).

Should a representative resign from the Nomination Committee before its work is completed and provided that the Nomination Committee considers it necessary, a substitute shall be appointed by the same shareholder that has appointed the resigning representative, or, if this shareholder is no longer one of the largest shareholders in terms of votes, a replacement will be approached among the larger shareholders.

The Nomination Committee shall appoint one of its members as chairman. The composition of the Nomination Committee shall be made public on the Company's web site as soon as the Nomination Committee has been formed and no later than six months before the Annual General Meeting. In the event that the ownership structure is changed after the nomination committee has been composed such that one or several shareholders that have appointed a representative to the Nomination Committee is no longer in the group of the three largest shareholders in terms of votes, the composition of the Nomination Committee may be changed in accordance therewith if the Nomination Committee considers that so is necessary.

The tasks of the Nomination Committee shall be to prepare, for the next shareholders' meeting, proposals in respect of number of directors of the Board, remuneration to the Chairman of the Board of Directors, the other

¹ Staffan Knafve and Jan Risberg did not participate in the decision.

directors of the Board and the auditors respectively, remuneration, if any, for committee work, the composition of the Board of Directors, the Chairman of the Board of Directors, resolution regarding the Nomination Committee, Chairman at the Annual General Meeting and election of auditors. The company shall pay for reasonable costs that the Nomination Committee has considered to be necessary in order for the Nomination Committee to be able to complete its assignment.

The proposal of the Board of Directors for a resolution on the issue of warrants and approval of transfer of warrants (item 17)
The Board of Directors proposes the Meeting to resolve on an issue of warrants and on the approval of transfer of warrants in accordance with the below.

The Board of Directors proposes that the Company shall issue a maximum of 356,000 warrants. The right to subscribe for warrants shall, with deviation from the shareholder's preferential rights, belong to Tethys Oil Spain AB, reg. no. 556658-1442 (the "**Subsidiary**"), a wholly owned subsidiary of the Company, with a right and obligation for the Subsidiary to transfer the warrants to employees in the group.

The warrants shall be issued to the Subsidiary without compensation and subscription of the warrants shall take place on a separate subscription list not later than 22 May 2015.

Employees in the group shall be entitled to acquire warrants from the Subsidiary. The following three categories shall be entitled to acquire warrants from the Subsidiary (the highest number of warrants any person in the respective categories can be allotted is stated in parentheses): the CEO of the group (78,000), senior executives (78,000), and other employees (200,000). Application to purchase warrants shall be made not later than on 29 May 2015.

Each person entitled to purchase warrants may apply to purchase warrants in lots corresponding to either the maximum amount of warrants offered or reduced by lots of 1,000 warrants. The allocation is not guaranteed and is conditional upon that it is possible to legally acquire the warrants and that this according to the assessment of the board directors can be done with reasonable administrative and financial costs. The allocation of warrants is further subject to that the employee, at the time of allocation, not having given or been given notice of termination from his/her employment in the group. The Board of Directors of the Company shall resolve on and implement the allocation in accordance with the above. If not all warrants are acquired, any remaining warrants shall be retained in the Subsidiary. The Board of Directors of the Company shall be entitled to resolve on the transfer of such warrants to any new additional senior executives and other key personnel.

The warrants shall be transferred free of charge to the participants and the group shall account for any income tax for the participants to the extent such tax is attributable to the programme. Compensation to the participants for their income tax, if any, shall be equal to the income tax they have to pay on an income corresponding to obtained warrants' calculated market value plus the income tax they have to pay for the subsidy to obtain such tax compensation.

Each warrant entitles the holder to subscribe for one new share in the Company during the period from and including 23 May 2018 up to and including 5 October 2018. The subscription price shall be equal to an amount corresponding to approximately 122.50 per cent of the volume-weighted average of the quoted price paid for the Company's share on Nasdaq Stockholm during the period from and including 28 April 2015 up to and including 12 May 2015. The increase of the Company's share capital will, upon exercise of the warrants, amount to not more than SEK 59,350.

The reason for deviating from the shareholders' preferential rights is to ensure that the Group can retain and recruit qualified and committed personnel on a global market for oil companies by offering such persons to participate in a long term incentive programme.

The Board of Directors proposes that the Meeting authorizes the Board of Directors of the Company to implement the issue resolution and to ensure that the Board of Directors of the Subsidiary implements the transfer of warrants. It is further proposed to authorise the Board of Directors to make such minor adjustments

in the Meeting's resolutions as may be required in connection with the registration with the Swedish Companies Registration Office and the affiliation of the warrants with Euroclear Sweden AB.

Resolution in respect of an authorisation for the Board of Directors to resolve on repurchase of shares (item 18)

The Board of Directors proposes that the Meeting resolve to authorise the Board of Directors to, up until the Annual General Meeting 2016, resolve on purchases of Tethys Oil's AB own shares, in accordance with the following.

1. Purchases may be effected on Nasdaq Stockholm.
2. The authorization may be used at one or several occasions before the Annual General Meeting 2016.
3. Purchases may be made by a maximum of so many shares that the Company's holding of own shares after the purchase amounts to a maximum of one-tenth of all the shares in the Company.
4. Purchases of the Company's own shares may be effected on Nasdaq Stockholm within the registered price interval from time to time.

The main reason of possible purchases is to give the company flexibility regarding its equity and thereby optimize the capital structure of the company. Possible purchases may also enable own shares to be used as payment for, or financing of, acquisitions of companies or businesses. The Board of Directors shall have the right to determine other conditions for purchases in accordance with the authorisation.

Resolution in respect of an authorisation for the Board of Directors to resolve on transfer of the Company's own shares (item 19)

The Board of Directors proposes that the Meeting authorises the Board of Directors to resolve on transfer of own shares to be used as payment for, or financing of, acquisitions of companies or businesses. Transfer of shares may be effected otherwise than on Nasdaq Stockholm up to the number of shares which, at any time, are held by the Company. Transfer of shares shall be made to an estimated market value and may deviate from the shareholders' preferential rights. Payment for transferred shares may be made in cash, in kind or through set-off. The Board of Directors also proposes that the Meeting authorises the Board of Directors to, at any time, decide on the transfer of own shares (up to an amount equal to the number of own shares held by the Company) during the period up until and including the Annual General Meeting 2016, through sales on Nasdaq Stockholm to a price within the registered price range at any given time. The authorisation for transfer by sales on Nasdaq Stockholm may be used on one or more occasions before the Annual General Meeting 2016.

Resolution in respect of an authorization to the Board of Directors to resolve on new issues (item 20)

The Board of Directors proposes that the Meeting authorises the Board of Directors to, at one or several occasions until the Annual General Meeting 2016, decide upon an issue of shares in the Company against payment in cash, in kind or through set-off and with the right to deviate from the shareholders' preferential rights. The purpose of the authorisation and the reason for the deviation from the shareholders' preferential rights is to facilitate the raising of capital for acquisitions and the Company's operations. The total number of shares that may be issued may not exceed 10.0 per cent of the total number of shares in the Company, corresponding to an issue of 3,554,375 shares calculated on the basis of the current number of shares issued by the Company. To the extent new issues of shares are made with deviation from the shareholders' preferential rights, such issues shall be made on market conditions.

The Board of Directors² proposals pursuant to sections (A) – (C) above are conditional upon each other and are therefore to be resolved upon as one resolution

(B) Reduction of the share capital with redemption of shares

The Board of Directors proposes that the share capital of the company is reduced by SEK 2,962,812.67 by compulsory redemption of 35,543,750 shares. The shares that are to be redeemed are those that, following the share split pursuant to section (A) above, are named redemption shares. The record date for the redemption of redemption shares is 12 June 2015. The Company intends to promote arrangements for customary trade in the redemption shares.

The purpose of the reduction is repayment to the company's shareholders.

For each redeemed ordinary share a redemption price of SEK 2.00 will be paid. The redemption price exceeds the quota value of an ordinary share with approximately SEK 1.9166. The part of the redemption price that exceeds the quota value of a share will be transferred from the non-restricted equity of the company. Payment of the redemption price will be made no later than ten banking days after the resolutions on the share split pursuant to section (A) above, the reduction of the share capital pursuant to this section (B) and the increase of the share capital by way of a bonus issue pursuant to section (C) below have been registered with the Swedish Companies Registration Office.

Following completion of the reduction, the share capital of the company will amount to SEK 2,962,812.67, divided among 35,543,750 shares.

In conjunction with the proposed reduction of the share capital with redemption of shares, the Board of Directors also proposes the following amendment to the articles of association:

The Board of Directors proposes that the share capital of the company is increased by way of a bonus issue. The share capital is to be increased by SEK 2,962,812.67 by way of transfer of SEK 2,962,812.67 from the non-restricted equity of the Company.
