#### Corporate Profile

SBM Offshore N.V. (the "Company") is a listed holding company that is headquartered in Schiedam. It holds direct and indirect interests in other companies that collectively with SBM Offshore N.V. form the SBM Offshore group.

SBM Offshore provides floating production solutions to the offshore energy industry, over the full product life-cycle. SBM Offshore is market leading in leased floating production systems with multiple units currently in operation and has unrivalled operational experience in this field. SBM Offshore's main activities are the design, supply, installation, operation and the life extension of Floating Production, Storage and Offloading (FPSO) vessels. These are either owned and operated by SBM Offshore and leased to its clients or supplied on a turnkey sale basis.

Group companies employ over 10,200 people worldwide. Full time company employees totalling 6,400 are spread over five regional centres, eleven operational shore bases and the offshore fleet of vessels. A further 3,800 are working for the joint ventures with several construction yards. Please visit our website at [www.sbmoffshore.com](http://www.sbmoffshore.com).

The companies in which SBM Offshore N.V. directly and indirectly owns investments are separate entities. In this communication "SBM Offshore" is sometimes used for convenience where references are made to SBM Offshore N.V. and its subsidiaries in general, or where no useful purpose is served by identifying the particular company or companies concerned.
