

## Peab to Built Växjö's Largest School

**Peab has been commissioned to build new schools and preschools in Bredvik, Vaxjo. The school includes grades 1-9 and will become the largest in the municipality. The client is Växjö and the contract amounts to approximately SEK 233 million.**

The new school property comprises approximately 13,000 square meters of space indoors and approximately 40,000 square meters of land. The school will be Växjö's largest school and be environmentally classified as Green Building Silver.

The project will begin immediately and will be completed in March 2017.

The project will be reported in the second quarter 2015.
