ING Profile

ING is a global financial institution with a strong European base, offering banking services through its operating company ING Bank and holding a significant stake in the listed insurer NN Group NV. The purpose of ING Bank is empowering people to stay a step ahead in life and in business. ING Bank's 53,000 employees offer retail and commercial banking services to customers in over 40 countries.

ING Group shares are listed (in the form of depository receipts) on the exchanges of Amsterdam (INGA NA, ING.AS), Brussels and on the New York Stock Exchange (ADRs: ING US, ING.N).

Sustainability forms an integral part of ING's corporate strategy, which is evidenced by ING Group shares being included in the FTSE4Good index and in the Dow Jones Sustainability Index (Europe and World) where ING is the industry leader in the diversified financials group.

Important legal information

Certain of the statements contained in this document are not historical facts, including, without limitation, certain statements made of future expectations and other forward-looking statements that are based on management's current views and assumptions and involve known and unknown risks and uncertainties that could cause actual results, performance or events to differ materially from those expressed or implied in such statements.

Actual results, performance or events may differ materially from those in such statements due to, without limitation: (1) changes in general economic conditions, in particular economic conditions in ING's core markets, (2) changes in performance of financial markets, including developing markets, (3) consequences of a potential (partial) break-up of the euro, (4) the implementation of ING's restructuring plan to separate banking and insurance operations, (5) changes in the availability of, and costs associated with, sources of liquidity such as interbank funding, as well as conditions in the credit markets generally, including changes in borrower and counterparty creditworthiness, (6) the frequency and severity of insured loss events, (7) changes affecting mortality and morbidity levels and trends, (8) changes affecting persistency levels, (9) changes affecting interest rate levels, (10) changes affecting currency exchange rates, (11) changes in investor, customer and policyholder behaviour, (12) changes in general competitive factors, (13) changes in laws and regulations, (14) changes in the policies of governments and/or regulatory authorities, (15) conclusions with regard to purchase accounting assumptions and methodologies, (16) changes in ownership that could affect the future availability to us of net operating loss, net capital and built-in loss carry forwards, (17) changes in credit-ratings, (18) ING's ability to achieve projected operational synergies and (19) the other risks and uncertainties detailed in the risk factors section contained in the most recent annual report of ING Groep N.V.

Any forward-looking statements made by or on behalf of ING speak only as of the date they are made, and, ING assumes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or for any other reason.
