

Company announcement from Vestas Wind Systems A/S

Aarhus, 21 May 2015
Company announcement No. 25/2015
Page 1 of 1

Information in the market regarding an offshore project in the UK

Today, there is information in the market regarding MHI Vestas Offshore Wind being appointed preferred supplier for an offshore project.

Vestas can confirm that Navitus Bay Development Limited has appointed MHI Vestas Offshore Wind preferred supplier for the delivery of V164-8.0 MW turbines for an offshore project in the UK with a potential of up to 970 MW.

If and when the project translates into a firm and unconditional order, Vestas will disclose a company announcement about this.

Vestas discloses this announcement based on Vestas' obligation as a Danish listed company, ref. the Securities Trading Act, section 27(2).

More information about this announcement can be found at <http://www.mhivestasoffshore.com/media/>.

MHI Vestas Offshore Wind is a joint venture between Vestas Wind Systems A/S 50% and Mitsubishi Heavy Industries (MHI) 50%. The company's sole focus is to design, manufacture, install and service wind turbines for the offshore wind industry.
