

Pen Generations, Inc. places a new order for digital pens to interactive educational multimedia in Korea

Lund – May 29th, 2015 – Anoto Group AB (publ), a global leader in digital writing solutions, is pleased to announce that it has received another order for 40,000 digital pens for one of the largest publishing companies in Korea. The net margin on the order is SEK 1.7 million and expected delivery is in second half of 2015.

SOLiDEdu, inc., a subsidiary of SOLiD to provide value added dot-pattern based products and services, has entered into a contract with the customer to convert its learning material into digital workbooks using Anoto's digital writing technology. The order is via partner Pen Generations, Inc. (www.pengenerations.com) who has specialized in developing products together with leading solution providers to the education industry.

The application is an interactive multimedia education solution, connecting digital pen, paper workbooks and tablets, which allows for more efficient learning and better individual progress.
