Precise BioMatch MobileTM integrated in yet another Chinese smartphone

Precise Biometrics product for fingerprint recognition in mobile devices, Precise BioMatch Mobile, has through cooperation with Fingerprint Cards (FPC) been integrated in a newly launched Chinese smartphone.

" We are happy that yet another leading Chinese smartphone manufacturer have chosen to integrate Precise BioMatch Mobile. The company is one of the leading Chinese manufacturers that also exports a significant part of their volume", says Håkan Persson, CEO of Precise Biometrics.

The value of license revenue is based on the number of sensors FPC delivers to the mobile phone manufacturer and cannot be forecasted at this point.

This press release contains information that Precise Biometrics is required to disclose pursuant to the Swedish Financial Instruments Trading Act (1991:980). The information was submitted for publication at 4.15pm CEST on June 12, 2015.
