

Full-year guidance 2015 upgraded at SP Group A/S

The Board at SP Group A/S has on its meeting today decided to upgrade the outlook for both revenue and result for the year 2015. The development in the activities in the first 5 months of the year has been more positive than expected at the beginning of the year.

Now SP Group expects a revenue for the FY 2015 at the level of DKK 1,200 – 1,250 million and a profit before tax and minorities at the level of around DKK 60 million.

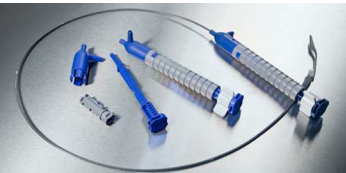

Previously, in 2015 SP Group expected a slightly larger profit before tax and minorities than in 2014 (DKK 51.5 million) and a slightly higher level of activity than in 2014 (DKK 1,165 million).

Especially the activities within plastics are developing positively.

SP Group manufactures moulded plastics and coatings at production sites in Denmark, Poland, Latvia, China, the USA and Brazil. Further SP Group has sales and service organisations in the Netherlands, Sweden, Germany and Canada. The Group has approximately 1,300 employees.
