Forward-Looking Statements

In addition to historical information, this press release contains forward-looking statements within the meaning of the U.S. Private Securities Litigation Reform Act of 1995, Section 27A of the U.S. Securities Act of 1933, and Section 21E of the U.S. Securities Exchange Act of 1934. Such forward-looking statements may include projections regarding Cnova's future performance and, in some cases, may be identified by words like "anticipate," "assume," "believe," "continue," "could," "estimate," "expect," "intend," "may," "plan," "potential," "predict," "project," "future," "will," "seek" and similar terms or phrases. The forward-looking statements contained in this press release are based on management's current expectations, which are subject to uncertainty, risks and changes in circumstances that are difficult to predict and many of which are outside of Cnova's control. Important factors that could cause Cnova's actual results to differ materially from those indicated in the forward-looking statements include, among others: the ability to grow its customer base; the ability to maintain and enhance its brands and reputation; the ability to manage the growth of Cnova effectively; changes to technologies used by Cnova; changes in global, national, regional or local economic, business, competitive, market or regulatory conditions; and other factors discussed under the heading "Risk Factors" in the U.S. Annual Report on the Form 20-F for the year ended December 31, 2014 filed with the U.S. Securities and Exchange Commission on March 31, 2015 and other documents filed with or furnished to the U.S. Securities and Exchange Commission. Any forward-looking statement made in this press release speaks only as of the date hereof. Factors or events that could cause Cnova's actual results to differ from the statements contained herein may emerge from time to time, and it is not possible for Cnova to predict all of them. Except as required by law, Cnova undertakes no obligation to publicly update any forward-looking statements, whether as a result of new information, future developments or otherwise.
