## **New volume discount for Market Makers in OMXS30 index options**

NASDAQ OMX Derivatives Markets has decided to introduce an additional volume discount for Market Makers in OMXS30 index options, based on traded volume during a calendar year.

Market Makers that have traded more than 2.5 million Swedish index options during a calendar year, will be trading Swedish index options at a discounted fee of SEK 0.50 per contract for the whole following year.

This new volume discount will apply from Jan 1st 2016 (based on traded contracts in 2015).

Fee lists in the Exchange Rules and Clearing Rules of NASDAQ OMX Derivatives Markets will be updated accordingly.
