# PRESS RELEASE

STOCKHOLM, 2 JULY 2015

## RAYSEARCH APPOINTS PETER THYSELL NEW CFO

RaySearch Laboratories AB (publ) announces that Peter Thysell has been appointed CFO of the company.

Peter joined RaySearch as interim CFO in March this year while the company was searching for suitable candidates for the CFO position. He holds an M.Sc. in Finance & International Business from the Stockholm School of Economics and has previously held several leading positions as interim Director Business Control at Scandic Hotels, interim CFO of Åkers AB, CEO of SiC Processing GmbH and CFO of Generic Sweden AB (publ). He has also worked as management consultant at McKinsey & Co.

“The interest in this vacant position has been considerable throughout the search process and we trust to have found in Peter the right individual. Peter has a solid financial background, extensive international experience and wide industrial knowledge. He will be a strong addition to our management team”, says Johan Löf, CEO of RaySeach.

### *About RaySearch*

RaySearch Laboratories is a medical technology company that develops advanced software solutions for improved radiation therapy of cancer. RaySearch markets the RayStation® treatment planning system to clinics all over the world. In addition, RaySearch’s products are distributed through licensing agreements with leading medical technology companies. RaySearch’s software is used by over 2,500 clinics in more than 65 countries.

RaySearch was founded in 2000 as a spin-off from Karolinska Institutet in Stockholm and the company is listed in the Small Cap segment on NASDAQ OMX Stockholm.
