

Press release, July 3, 2015

Invitation to presentation of Eniro's interim report, April - June 2015

Eniro's interim report for the second quarter 2015 will be published at 08:00 CET on July 16, 2015.

A web-cast telephone conference will be held at 10:00 CET the same day, where Eniro's CEO and President Stefan Kercza and Eniro's acting CFO Maria Åkrans will present the results for the second quarter. A possibility will be given to ask questions via the webcast and follow the presentation material live. The webcast is available on demand.

To participate in the conference call, and thereby be able to ask questions, please call one of the following numbers:

SE: +46 (0) 8 566 426 64 or

UK: +44 (0) 20 342 814 09

The presentation material will be published before the conference starts on Eniro's web page, www.enirogroup.com under Investor Relations. A recording of the telephone conference will also be available on the web page.

For further information, please contact:

Maria Åkrans, Acting Head of Investor Relations, tel: +46 (0) 708 566 400, e-mail: ir@eniro.com

Eniro AB (publ) is required to make this information public in accordance with the Swedish Securities Market Act and/or the Financial Instruments Trading Act. The information was released for publication on July 3 2015 at 8.00 am (CET).

Eniro is a search company that aggregates, filters and organizes local information. Our growth is driven by users' increasing mobility and multiscreen behavior, where we are at the forefront with modern technical solutions. For more than 100 years Eniro has helped people find local information and companies find customers. Today it is a multiscreen solution – our users search for information using their smart phones, tablets and desktops. Mobile advertising is today the fastest growing part of Eniro's business. Eniro is the local search engine. A smart shortcut to what you need, no matter where you are or where you are going.

Eniro is one of the largest search companies in the Nordic region. The company has approximately 2,300 employees and has been listed on NASDAQ Stockholm since 2000. During 2014, Eniro revenues amounted to SEK 3,002m and EBITDA was SEK 631m. Approximately 88 percent of Eniro advertising revenues come from multiscreen channels. The company's headquarters are located in Stockholm, Sweden. More on Eniro at www.enirogroup.com.

Eniro – Discover local. Search local.
