Georgian market leading operator Adjarabet.com adds Evolution's full Live Casino line-up

Evolution Gaming, leading provider of Live Casino solutions, has launched a complete line-up of live tables at Adjarabet.com, Georgia's leading online gaming operator.

Adjarabet now offers all of Evolution's generic shared tables – Live Roulette, Blackjack, Baccarat, Casino Hold'em and Three Card Poker, including Immersive Roulette, Blackjack Party and VIP tables – with customers able to play the widest choice of live games on desktop, tablet and smartphone. As part of the implementation, Evolution added the Georgian language to the user interface and help pages for all of these games.

Founded in 1998 and regulated by the Georgian Government, Adjarabet is firmly established as the Georgian market leader in online gaming and sports betting. It currently offers customers an extensive choice of sports betting, RNG slots, poker and table games, live casino, backgammon and skill games. The complete site is available in three languages: Georgian, English and Russian.

Archil Kakhidze, Head of Sport and Casino at Adjarabet commented: "By choosing Evolution we have been able to rapidly extend and enhance our Live Casino offering. Evolution has built its reputation working alongside market leaders in many other territories, so we feel confident that we now have a powerful, flexible and scalable solution that gives us huge scope to deliver the very best for our players as we grow and develop."

Sebastian Johannisson, Head of Account Management at Evolution, added: "We are delighted to be working with Adjarabet, the clear market leader in Georgia. Their success is founded on offering their players a great choice of games, fast payouts and excellent customer service. Evolution Live Casino is a great match for Adjarabet in every way and we look forward to helping them achieve further success."
