NEWS RELEASE

LUCARA'S EXCEPTIONAL STONE TENDER GENERATES \$68.7 MILLION IN SALES

July 16, 2015 (LUC – TSX, LUC – BSE, LUC – Nasdaq Stockholm)... Lucara Diamond Corp. ("Lucara" or the "Company", is pleased to announce the results from its first Exceptional Stone Tender of 2015.

The special tender of Karowe diamonds was completed on July 16, 2015 and consisted of 14 single stone lots. All 14 diamonds, totaling 1,647 carats were sold for gross revenues of \$68.71 million (\$41,028 per carat).

Highlights:

- 12 diamonds sold for more than \$1.0 million each including 5 stones which sold for in excess of \$4.0 million each.
- Lot 701, the 341.9 carat Type IIa diamond (discovery announced April 20, 2015), sold for \$20.55 million (\$60,114/ct).
- Lot 702, the 269.7 carat diamond, sold for \$16.54 million (\$61,304/ct).

For the catalogue and images of the diamonds sold in this and previous Exceptional Stone Tenders, please go to the Lucara website at www.lucaradiamond.com.

William Lamb, President and CEO, commented, "This is another amazing result, demonstrating not just the sustainable quality of the diamonds being produced but also the robustness of the exceptional stone market. The sales values achieved for the two large stones demonstrates the quality of diamonds which the south lobe is producing.

We will continue to work on optimizing our sales strategy to obtain the best value for these diamonds and for our shareholders."

About Lucara

Lucara Diamond Corp. is a high quality diamond producer from its 100% owned Karowe Mine in Botswana. The Company has an experienced board and management team with extensive diamond development and operations expertise. The Company also holds a 75% interest in the Mothae Project in Lesotho which has completed a trial mining program.

On behalf of the Board,

William Lamb
President and CEO

CAUTIONARY NOTE REGARDING FORWARD LOOKING STATEMENTS

Certain of the statements made and contained herein and elsewhere constitute forward-looking statements as defined in applicable securities laws. Generally, these forward-looking statements can be identified by the use of forward-looking terminology such as “expects”, “anticipates”, “believes”, “intends”, “estimates”, “potential”, “possible” and similar expressions, or statements that events, conditions or results “will”, “may”, “could” or “should” occur or achieved.

Forward looking statements are based on the opinions and estimates of management as of the date such statements are made, and they are subject to a number of known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievement expressed or implied by such forward-looking statements. The Company believes that expectations reflected in this forward-looking information are reasonable but no assurance can be given that these expectations will prove to be correct and such forward-looking information included herein should not be unduly relied upon. In particular, this release may contain forward looking information pertaining to the following: the estimates of the Company’s mineral reserve and resources; estimates of the Company’s production and sales volumes for the Karowe Mine; estimated costs to construct the Karowe Mine, start-up, exploration and development plans and objectives, production costs, exploration and development expenditures and reclamation costs; expectation of diamond price and changes to foreign currency exchange rate; expectations regarding the need to raise capital; possible impacts of disputes or litigation and other risks and uncertainties describe under Risks and Uncertainties disclosed in the Company’s Annual Information Form.

There can be no assurance that such statements will prove to be accurate, as the Company’s results and future events could differ materially from those anticipated in this forward-looking information as a result of those factors discussed in or referred to under the heading “Risk Factors’ in the Company’s most recent Annual Information Form available at <http://www.sedar.com>, as well as changes in general business and economic conditions, changes in interest and foreign currency rates, the supply and demand for, deliveries of and the level and volatility of prices of rough diamonds, costs of power and diesel, acts of foreign governments and the outcome of legal proceedings, inaccurate geological and recoverability assumptions (including with respect to the size, grade and recoverability of mineral reserves and resources), unanticipated operational difficulties (including failure of plant, equipment or processes to operate in accordance with specifications or expectations, cost escalations, unavailability of materials and equipment, government action or delays in the receipt of government approvals, industrial disturbances or other job actions, adverse weather conditions, and unanticipated events relating to health safety and environmental matters)

Accordingly, readers are cautioned not to place undue reliance on these forward-looking statements which speak only as of the date the statements were made, and the Company does not assume any obligations to update or revise them to reflect new events or circumstances, except as required by law.
