Enea signs 3 MEUR service deal with a global telecom company

STOCKHOLM, Sweden, July 30, 2015. Enea (NASDAQ OMX Nordic: ENEAA) has signed a new service agreement with a leading telecom company valued at 3 MEUR over a period of 3 years. The customer, who is a global telecom provider has selected Enea as vendor based on Enea's capabilities to deliver best services in automated and manual testing solutions.

Enea's Professional Services team, located in Romania, has delivered high quality services during a long relation lasting for more than 10 years, which have positioned them as main vendor for customers' testing and acceptance division. They have provided this customer with a complex services package over a large range of technologies including specialized engineering expertise, flexible delivery models and the strength of onsite program management.

"We have a good relationship with this customer since many years back. I am glad to see that the customer selected Enea based on our capabilities to deliver best services in automated and manual testing solutions which requires personnel with specialized engineering expertise." said Anders Lidbeck, President and CEO for Enea.
