

Stockholm, August 13, 2015

INVISIO is awarded UK THPS Contract through its partner Marlborough Communications and expects large order.

INVISIO (IVSO) has today, through its partner Marlborough Communications Ltd., been awarded a contract for supplying the UK MoD (Ministry of Defense) with a tactical hearing protection system for dismounted close combat users (or 'THPS DCCU'). The contract has been awarded for four years, with the option to extend it for a further three years. The initial order is expected to be approximately SEK 130 million. Further information will be communicated when available.

INVISIO Communications AB (publ) discloses the information provided herein pursuant to the Securities Market Act and/or the Financial Instruments Trading Act. The information was submitted for publication on August 13, 2015.
