NetEnt signs agreement with Golden Nugget in New Jersey

NetEnt, a leading provider of online gaming solutions, has signed a multichannel content agreement with Golden Nugget, one of the leading land-based and online gaming companies in New Jersey, USA.

According to the terms of the agreement, NetEnt will deliver its award-winning casino games for desktop and mobile gaming channels to Golden Nugget.

As previously announced, NetEnt has applied for a license to offer its games in the regulated New Jersey market, and is awaiting approval from the New Jersey Division of Gaming Enforcement to commence operations, while its application for a full license is under review.

“We are following our go-to-market strategy for the US, and I am very excited and proud that Golden Nugget has selected NetEnt as partner for delivering a full suite of our best-in-breed multichannel desktop and mobile games,” says Björn Krantz, Managing Director of NetEnt Americas LLC. *“The agreement with Golden Nugget further solidifies the trust and confidence our partners have in our operational and technical capabilities, and I am confident that our portfolio offerings will be well received by Golden Nugget’s broad player base”*, continues Björn Krantz.

Thomas Winter, Vice President of Online Gaming at Golden Nugget, comments: *“Golden Nugget has a firm ambition to always offer the ultimate player experience to its customers and already offers the largest portfolio of online games in New Jersey. NetEnt is a prominent and well-recognized gaming solutions provider, which we know offers one of the most innovative and creative online casino gaming portfolios in the market. We are very excited to soon add NetEnt desktop and mobile games for our growing community of NJ players to enjoy.”*
