Husqvarna Group appoints new SVP Technology Office & CTO

Anders Johanson has been appointed SVP Technology Office & CTO at Husqvarna Group and member of Group Management as of October 1, 2015. He replaces Henric Anderson, who has been appointed President Construction Division.

Anders Johanson is Partner and Global practice leader technology and innovation management at Arthur D. Little. In parallel Anders holds a part time role as adjunct professor in industrial product development at KTH, Royal Institute of Technology, since January 2015.

Anders has a MSc. Chemical Engineering and a MBA from Chalmers University of Technology.

“The appointment of Anders Johanson underlines Husqvarna Group’s commitment to continue developing cutting-edge technologies combined with increased product development efficiency and strengthening synergies between the divisions in our Group,” says **Kai Wärn**, President and CEO of Husqvarna Group.
