Eniro is a search company that aggregates, filters and organizes local information. Our growth is driven by users' increasing mobility and multiscreen behavior, where we are at the forefront with modern technical solutions. For more than 100 years Eniro has helped people find local information and companies find customers. Today it is a multiscreen solution – our users search for information using their smart phones, tablets and desktops. Mobile advertising is today the fastest growing part of Eniro's business. Eniro is the local search engine. A smart shortcut to what you need, no matter where you are or where you are going.

Eniro is one of the largest search companies in the Nordic region and Poland. The company has approximately 2,000 employees and has been listed on NASDAQ Stockholm since 2000. During 2014, Eniro's revenues amounted to SEK 3,002 M and EBITDA was SEK 631 M. More than 88 percent of Eniro's advertising revenues come from multiscreen channels. The company's headquarters are located in Stockholm, Sweden. More on Eniro at www.enirogroup.com.
