About Ambu

Since 1937, breakthrough ideas have driven our work to bring efficient healthcare solutions to life within our fields of excellence: Anaesthesia, Patient Monitoring & Diagnostics and Emergency Care. Millions of patients and healthcare professionals worldwide depend and rely on the functionality and performance of our products. We are dedicated to improving patient safety and determined to advance single-use devices. The manifestations of our efforts range from early inventions like the Ambu bag and the legendary Blue Sensor® electrodes to our latest landmark solutions such as the aScope™ – the world's first single-use videoscope. Our commitment to bringing new ideas and superior service to our customers has made Ambu one of the most recognised medico-technical companies in the world. Our head office is situated in Ballerup near Copenhagen. Ambu has more than 2,350 employees in Europe, North America, Asia and the Pacific region. You can find more information about Ambu on our website: www.ambu.com.
