Suspension of trading: High Court judgment

The Eastern Division of the Danish High Court will issue judgment today in the appeal, by NeuroSearch A/S and others, of the Copenhagen City Court's decision of August 2014, in which the company was fined in the amount of DKK 5 million for breach of the prohibition on market manipulation in the Danish Securities Trading Act. Reference is made to previous company announcements.

On account of today's judgment, the company has requested NASDAQ OMX Copenhagen to suspend the trading of the company's shares, effective from Wednesday 14 October at 11 a.m. The suspension will be lifted when the company has issued an announcement commenting on the High Court judgment.
