1	quirement for the	Information
provi	ision of information	
D.1,	Key information on	The investment made in Bonds is tied to certain financial risks, which
D.1,	the key risks	bears the Investor. These risks are related to the borrower's financial
	specific to the	situation, as well as with the investment instruments and securities
	Issuer	market forces both in Latvia and abroad. In the process of managing the
		risks, the Bank maintains the stable and conservative policy, without
		permitting any incommensurable risks in any types of its activities. The
		risk management policy is developed in close collaboration with the strategic development plan of the Issuer. Risks related to the business
		activities of the Issuer are divided into financial and other risks.
L	1	100000000000000000000000000000000000000

		Financial risks are: credit risk, interest risk, liquidity risk, currency risk
		and market risk. In addition to the above mentioned, the Issuer also
		detects the following types of risks: operational risk, legal risk,
		reputational risk, stretegic and business risk and concentration risk
D.3	Key information on	The investment made in Bonds is tied to certain financial risks, which
	the key risks	bears the Investor. These risks are related to the borrower's financial
	specific to the	situation, as well as with the investment instruments and securities
	Bonds	market forces both in Latvia and abroad.
		Investing in Bonds, Investors bear the risks associated with investments
		in securities: first, it is the liquidity of the Bonds on the secondary
		market and price volatility, which may result not only from the Issuer's
		financial condition, but also from the general market trends. There is
		also legal risk of change of the Applicable Law, in relation to custody,
		transactions and other operations with the Bonds in such a way that new
		or additional charges or expenses may be imposed on the Investors, or
		new stamp duties and/or taxes may be introduced or rates of the existing
		stamp duties and/or taxes may be changed
