

TagMaster strengthens its sales organization further with new area manager for the DACH countries

Press release, Stockholm, Sweden 29 October 2015

TagMaster, the leading producer of advanced RFID products & ANPR cameras for long range vehicle identification in Traffic Solutions and Rail Solutions, strengthens its sales organization by appointing Peter Gröntved being responsible for the sales within the DACH region (Germany, Austria, and Switzerland).

TagMaster is in a rapid expansion phase. We have developed and launched our UHF products, XT-1 and XT Mini during the last 12 months and now want to leverage from those innovations and therefore want to take the natural step to strengthen our sales and marketing function to expand sales in the DACH region.

Peter Gröntved has a broad background within distribution and system integrator sales and have been living in Germany and Austria. He has been employed by ASSA and, most recently, was the Nordic sales manager of Michelin.
