

Press release, 26 October, 2007

The Nordic Exchange welcomes West International to First North

Today West International will be listed on the First North. Including West International, First North now comprises 121 companies.

West International AB will, in relationship with local system integrators, provide hardware together with integration knowledge for transactions within banking and Point of Sales on a global market.

”We are happy to welcome West International to First North and to the Information Technology sector,” says Jenny Rosberg, President of Company Services at OMX.

A round lot of shares in West International, whose short name is WINT, amounts to 1000, and it belongs to the Information Technology sector.
