

Press Release

Addtech acquires Goodtech Products AS

Addtech Components, a business area in the Addtech Group, has today signed an agreement to acquire all shares outstanding in Goodtech Products AS.

Goodtech Products delivers products, solutions and services in the field of automation to Norwegian industry and the public sector. The company represents leading suppliers in the field of automation and industrial communication.

Goodtech Products will very effectively complement Addtech's current operations in the business unit Addtech Components Norway. The Company has 23 employees and sales of around NOK 85 million.

The closing is estimated to take effect in the beginning of February 2016 and to have a marginally positive effect on Addtech's earnings per share during the current financial year.
