NEW CASH FLOWS OF INFLATION-LINKED BONDS

Nykredit Realkredit A/S has found that the cash flows released on 13 January were too high for a number of old inflation-linked bonds. The table below lists the affected bonds.

DK000970174-0	DK000972983-2	DK000973440-2
DK000970999-0	DK000972991-5	DK000974242-1
DK000972460-1	DK000973041-8	DK000974358-5
DK000972479-1	DK000973165-5	DK000974374-2
DK000972487-4	DK000973408-9	DK000974382-5
DK000972495-7	DK000973416-2	DK000974390-8
DK000972967-5	DK000973432-9	DK000974846-9

We therefore re-release the cash flows of Nykredit's bonds, with adjusted cash flows for the above 21 inflation-linked bonds.

XML format data are published via Nasdaq as usual, and data will also be available at nykredit.com/ir.
