About Ambu

Since 1937, breakthrough ideas have fuelled our work on bringing efficient healthcare solutions to life. This is what we create within our fields of excellence – Anaesthesia, Patient Monitoring & Diagnostics, and Emergency Care. Millions of patients and healthcare professionals worldwide depend on the functionality and performance of our products. We are dedicated to improve patient safety and determined to advance single-use devices. The manifestations of our efforts range from early inventions like the Ambu Bag™ resuscitator and the legendary BlueSensor™ electrodes to our newest landmark solutions like the aScope™ endoscope – the world's first single-use flexible video scope. Our commitment to bringing new ideas and superior service to our customers has made Ambu one of the most recognized medical companies in the world. Headquartered near Copenhagen in Denmark, Ambu employs approximately 2,300 people in Europe, North America and the Asia Pacific. For more information, please visit www.ambu.com.
