Telelogic signs 3.2 million USD Agreement with Leading Asia Pacific Aerospace Defense Manufacturer

MALMÖ, Sweden and IRVINE, California – October 12, 2007 – Telelogic (Nordic Exchange/MidCap/TLOG) today announced that it has signed a 5-year, 3.2 million USD license and maintenance agreement with an Asia Pacific aerospace defense manufacturer.

The agreement extends the existing contract and will see the company's Australian division deploy all components of Telelogic's Solution for Enterprise Lifecycle Management (ELM) across their business and development projects.

"Understanding the strategic needs of the customer and being able to deliver against them is crucial for any vendor," said Anders Lidbeck, President and CEO of Telelogic. "With the 5-year agreement and the customer commitment to Telelogic's solution for ELM demonstrates that we are uniquely placed to meet this requirement. Today's announcement is further confirmation of our leading position for development and business within the aerospace and defense industry."

About Telelogic

Telelogic is the leading global provider of software solutions for Enterprise Lifecycle Management (ELM). Award-winning Telelogic software helps customers design, develop, and deliver the world's most advanced and innovative products, systems, and software more efficiently by aligning and optimizing development lifecycles and business processes with business objectives and customer needs. Telelogic helps customers improve quality and predictability while reducing time-to-market and overall costs. Headquartered in Malmö, Sweden with U.S headquarters in Irvine, California, Telelogic conducts business in more than 40 countries. More than one third of the Fortune Global 500 companies use Telelogic software including market-leading aero/defense, automotive, financial services, software/electronic and telecommunications companies and governments worldwide. For more information, see www.telelogic.com.
