## **Episurf Medical hires new European Marketing Director**

**Episurf Medical announces the appointment of its new European Marketing Director, Dan Griffiths. Dan will join the company on 25 April 2016.**

“In line with building out our management team to drive our commercial ambitions, I am delighted Dan is joining at what is an important period in the company’s expansion. Dan’s entire career to date has been spent in market leading companies including Stryker, Zimmer and most recently, Lima Corp. Dan’s experience with Lima’s patient specific implants will add real value to Episurf Medical as we continue to build high impact marketing programs”, says Rosemary Cunningham Thomas, Episurf Medical CEO.

“I am extremely excited to be joining Episurf Medical as the company's technologies start to become clinically accepted and the benefit to patients is being proven. By identifying customer needs and offering our unique solutions to the market, Episurf Medical has unrivalled solutions to help many patients suffering with early knee arthritis. Successfully commercialising its patient specific technology is going enable Episurf Medical to become a valued partner to orthopaedic surgeons and will offer hope to many knee pain sufferers”, says Dan Griffiths.
