About INVISIO Communications AB (publ)

INVISIO offers cutting-edge personal communication and hearing protection systems. The systems enable users to operate and communicate safely and clearly in all environments, even under extreme conditions, such as loud noise, heat, and underwater. INVISIO systems consist of headsets and advanced control units that interface to a wide range of communication devices. The systems provide hearing protection while maintaining the natural level of situational awareness. INVISIO is marketed through a global network of partners to both government and commercial users. INVISIO is a Swedish public company listed on the Nasdaq Stockholm Exchange (IVSO). Additional information is available on the company's web site www.invisio.com.
