Announcement

Jyske Invest chooses SimCorp Dimension

SimCorp announces that Jyske Invest has licensed SimCorp Dimension. Jyske Invest, a group of membership owned mutual funds, manages approximately DKK 60bn on behalf of almost 90,000 members.

Jyske Invest is the third Danish mutual fund to choose SimCorp Dimension, and they will use the solution to manage front, middle and back office activities.

This new SimCorp Dimension order does not change the company's expectations to the year's result.
