Addnode Group signs PLM services agreement worth over \$2.5 million with a global technology provider

STOCKHOLM, MAY 2, 2016 – Addnode Group’s subsidiary TechniaTranscat, a world leading provider of PLM solutions, has signed a new services agreement with a leading US based global technology provider of transportation systems. The agreement has an order value of more than \$2.5 million over a 12-month period.

With a focus on improving the end user experience, TechniaTranscat will deliver a wide set of services such as business consulting, solutions development and production rollout services.

- This validates TechniaTranscat as the leading vendor for demanding and global 3DEXPERIENCE based implementations. Our strong US team together with our partner network is a key for this delivery. It is true to call the agreement a multiyear PLM partnership says Jonas Gejer, CEO at TechniaTranscat and President of Addnode Group PLM.
- We have a strong PLM team with a customer perspective and a good business knowledge. This agreement underlines our delivery capacity to large and demanding global corporations, says Staffan Hanstorp, President and CEO of Addnode Group AB.
