### About Brighter AB (publ)

*Brighter develops solutions for data-driven and mobile health services. Through its intellectual property and innovative tools, jDome® and Actiste™, the company creates a more efficient care chain with focus on the individual. The goal is to simplify, streamline and enhance the information flow of relevant and reliable data between the patient and health care professionals. Brighter is initially focused on diabetes care and care for the elderly, but there are opportunities in the future to operate on a broader level, spanning more diseases and treatment approaches. This is done through The Benefit Loop®, Brighter's cloud-based service that continuously collects, analyzes and shares data on the user's terms.*

The Company's shares are listed on [NASDAQOMX First North/BRIG](#).
