This announcement is available in a Danish and an English-language version.
In the event of discrepancies, the Danish version shall prevail.

Coloplast develops products and services that make life easier for people with very personal and private medical conditions. Working closely with the people who use our products, we create solutions that are sensitive to their special needs. We call this intimate healthcare.

Our business includes ostomy care, urology and continence care and wound and skin care. We operate globally and employ more than 10,000 people.
