Eniro postpones presentation of interim report for the second quarter 2016

Amendment in the last sentence.

The Board of Directors of Eniro AB (publ) announces that the date of publication of the interim report for the second quarter will be pushed back from July 15 until August 24, 2016.

Since the Annual General Meeting on April 27, 2016, Eniro has a new board of directors. A given part of a new board's tasks is to analyze the company's businesses and capital structure. As part of this work the board needs to carry out an in-depth analysis of the company's businesses. The Board needs more time for this analysis and has therefore decided to push back the publication of the interim report for the second quarter until August 24, 2016.

The creditor banks of Eniro have been informed about the adjusted time plan.
