

PRESS RELEASE

Stockholm, May 31, 2016
Enea (NASDAQ OMX Nordic: ENEA)

Temporary increase in number of shares in Enea AB

The Annual General Meeting 2016 of Enea AB resolved on a so-called automatic share redemption procedure. The share redemption procedure involves a share split, whereby one (1) existing share in the company is split into two (2) shares. As a result of the share split, the number of shares in Enea AB has increased by 16,462,577 shares during May. The number of shares in Enea AB is, following the share split, 32,925,154 shares.

The 16,462,577 new shares are so-called redemption shares which will be redeemed by Enea AB as part of the share redemption procedure with the exception of Enea AB's own 546,911 redemption shares which will be redeemed without consideration. Thereafter, the number of shares in Enea AB will amount to 16,462,577 i.e. the same number as prior to the share split.
