

# New Sales Director for the North America region at CybAero

CybAero has selected Mr. Brian Lawrence to be the new Sales Director, North America. He assumed the position on June 7<sup>th</sup>, 2016.

"With his broad expertise and experience within the aerospace industry, especially within the industry of selling unmanned systems, we are confident that Mr. Lawrence will contribute to future sales and marketing of the APID One System in North America," says CybAero's CEO Rolf Schytt.

Mr. Lawrence has a Bachelor of Science in Mechanical and Industrial Engineering from Clarkson University, NY. He's also attended Naval War College in Washington DC (1988), Defense Systems Management College (1993) and Stockholm School of Economics (2013). Mr. Lawrence comes to CybAero after having been an independent aerospace and defense consultant, providing his clients with business development, capture management and proposal support. Previously Mr. Lawrence held several positions within Saab North America and Saab Defence and Security USA, including his last position as Senior Vice President, Deputy Head of Business Development (2013-2015).

Mr. Lawrence has over 20 years of experience in the aerospace and defense market within the U.S. government and private industry.

## About CybAero

CybAero develops and manufactures Remotely Piloted Aircraft Systems (RPAS) for safer and more effective aerial operations in various environments, including those hazardous in nature. The company has made a great international impact with its APID One helicopter, which can be adapted for both military and civilian applications such as coastal and border surveillance, search and rescue missions, and mapping. CybAero's head office is located in the Mjärdevi Science Park in Linköping, Sweden. The company has around 50 employees and has been listed on the Nasdaq First North since 2007. FNCA Sweden AB is the company's certified adviser.
