#### LAGERCRANTZ GROUP IN BRIEF

Lagercrantz Group is a technology trading group in electronics, electrics, communication and adjacent areas. The Group operates in a decentralised mode with value-creating sales in close proximity to its customers and markets and has a leading position in several expansive niches.

Operations are organised in three divisions: Division Electronics is primarily involved in marketing solutions in wireless industrial communication and embedded systems. Division Mechatronics offers electro-mechanical components and production of cable harnesses and electric connection systems. Division Communications provides solutions in digital image transmission/technical security, design software and access products. Manufacturing companies are the primary customers. Lagercrantz is today represented in eight countries in Northern Europe, and in China.

The Group has sales of just short of SEK 2 billion and has approximately 750 employees. Lagercrantz is listed in the Small Cap segment of the Nordic List, sector Information Technology. Additional information is available at [www.lagercrantz.com](http://www.lagercrantz.com).
