## PRESS RELEASE

LINKÖPING, JUNE 17, 2016

# Global high-tech manufacturing company selects IFS Applications 9

*Leading high-tech manufacturer selects IFS Applications 9 to increase user satisfaction and business value*

**IFS**, the global enterprise applications company, announces that a leading manufacturer in the high-tech sector has chosen to deploy **IFS Applications™ 9**. The agreement includes licenses and services valued at approximately 1.4 million euros.

IFS Applications 9 will provide the company with a modern, innovative solution that will ensure increased user satisfaction and business value.

The company will also implement features to support mission-critical processes such as rental management, multisite order management to improve the workflow between its subsidiaries, and the integrated CRM component for a simplified user experience.

The solution also includes IFS Lobbies, which will empower users with intuitive and easy-to-configure overviews of their daily operations—promoting better decision-making and increased user satisfaction.

For more information about how IFS helps high-tech manufacturing customers, please visit: [www.ifsworld.com/en/industries/high-tech-manufacturing](http://www.ifsworld.com/en/industries/high-tech-manufacturing).

### About IFS

**IFS™** is a globally recognized leader in developing and delivering enterprise software for enterprise resource planning (ERP), enterprise asset management (EAM) and enterprise service management (ESM). IFS brings customers in targeted sectors closer to their business, helps them be more agile and enables them to profit from change. IFS is a public company (XSTO: IFS) founded in 1983 and currently has over 2,800 employees. IFS supports more than 1 million users worldwide from its network of local offices and through a growing ecosystem of partners.
