

## IT – Nasdaq Nordic Primary Data Center Relocation Project Update – Genium INET – REMINDER: Launch Weekend Schedule (37/16)

*This IT Notice contains launch time schedule for Genium INET (Derivatives, Fixed Income, Commodities).*

As previously [communicated](#), Nasdaq is in the process of relocating its primary data center from the current LUNDA data center to the new VASBY data center. This relocation affects all customers, service- and connectivity providers with connectivity to LUNDA and PORT data centers.

**Customers that have not adapted to new IP's and ports by June 20<sup>th</sup> will not be able to access the new Genium INET environments in VASBY and PORT.**

### **Genium INET (Derivatives, Fixed Income, Commodities) Production Launch time schedule**

#### **Saturday June 18<sup>th</sup>, 14:00 – 17:00 (CEST) – Final VASBY Production login verification**

- New Genium INET in VASBY launched as the Primary Production Site
- New Genium INET in PORT launched as the Secondary Production Site
- No markets open (only heartbeats to verify ITCH MC connections)
- **Mandatory customer VASBY Production login verification test will be arranged between 14:00 – 17:00 CEST**
- Please confirm via e-mail to [technicalrelations@nasdaq.com](mailto:technicalrelations@nasdaq.com), as soon as you have completed your Genium INET migration from LUNDA to the VASBY data center (latest by June 18 17:00 CEST)

#### **Monday June 20<sup>th</sup> → Genium INET Data Center Relocation completed**

- New Genium INET in VASBY live as the Primary Production site
- New Genium INET in PORT live as the Secondary Production site
- Old Genium INET environments in LUNDA and PORT discontinued (no logins or ITCH MC services)

## Additional information regarding Genium INET (Derivatives, Fixed Income, Commodities)

- Please see [Weekend Migration Plan](#) for important information regarding the launch weekend activities, including communication plan and rollback plan
- Please see [CW1 Change of destination IP address](#) for information regarding how to change IP address for Clearing Workstation 1
- Genium INET VASBY and PORT connectivity information is available at the [Data Center Relocation website](#)
- Members' individual FIX port information has been distributed to all clients. If you haven't received the new connectivity details please contact [ms.gi@nasdaq.com](mailto:ms.gi@nasdaq.com)
- Members accessing Genium INET ports from new source IP's/subnets need to inform [ms.gi@nasdaq.com](mailto:ms.gi@nasdaq.com) about the new details (source IP validation)
- **Derivatives and Fixed Income customers should remove all their long orders by market close on June 17th.** After market close, order books will be flushed and remaining orders will be removed
