

NetOp. Moving expertise - not people

Announcement No. 14-2007

17 September 2007

Danware appoints new CFO

Danware has appointed Claus Finderup Grove as its new CFO.

Claus Finderup Grove, 39, comes from a similar position as CFO of shipping company Clipper Group. Prior to joining the Clipper Group in 2005, Mr Grove worked with A. P. Møller in a number of senior treasury and finance positions both in Denmark and abroad.

Claus Finderup Grove will take up his new position on 1 November 2007.

Danware's core business is to develop and market software products based on the NetOp® core technology – a technology enabling swift, secure and seamless transfer of screens, sound and data between two or more computers. The company's three product areas are Desktop Management, Education and Security. The core product in Desktop Management, NetOp® Remote Control, enables remote control of one or more computers from another computer. NetOp® School, the core product in Education, is a software application for computer-based classroom teaching. The Security business products are NetOp® Desktop Firewall and NetOp® Netfilter. All are plug 'n play products offering extensive functionality, flexibility and user-friendliness. Danware's products are sold in more than 80 countries. Danware is listed on the OMX Nordic Exchange Copenhagen A/S (symbol DANW) and is a component of the Small Cap+ index.
