

IT – Data Center Relocation – **Login Verification Extended**

The INET and Genium INET login verification will be extended to 18:00 CEST due to customer demand.

Members, Market Data Vendors and Data Centers should connect and login to all applicable protocols to prepare for Monday morning. All markets will be in closed state, only login and heartbeats generated.

After completion, each member should send an email to technicalrelations@nasdaq.com with a confirmation if the verification has been completed and the member is ready to go live no later than **18:00 CEST**.

Email should include:

- Member name and MPID
- Contact information
- Connectivity test successful (Yes/No)
- Ready to go (Yes/No)

In case of issues please contact:

INET - Technical issues, Account/Port configurations:

operator@nasdaq.com

+46 8 405 6410
