

## IT – Data Center Relocation – **Launch confirmed**

**The INET and Genium INET login verifications have been completed.**

**We have a GO decision, which means that all Nasdaq markets will be launched from the VASBY data center on Monday June 20.**

On the launch day, normal applicable operational routines and schedules will be followed.

- The INET system will open for connectivity at 06:45 CEST at latest
- The Genium INET system will open for connectivity at 06:00 CEST
- All Genium INET order books will be empty when Genium INET opens for trading

Nasdaq Support will be available on Monday from 06:00 CEST
