Final result of SSAB's rights issue

The final result of SSAB AB's (publ) ("SSAB") rights issue shows that 472,856,489 class B shares, corresponding to approximately 98.4 per cent of the shares offered, were subscribed for by the exercise of subscription rights. The remaining 7,733,327 class B shares offered have been allotted to persons who have subscribed for shares without subscription rights. SSAB will receive approximately SEK 5 billion through the rights issue before transaction costs.

Allotment of shares that were subscribed for without subscription rights has been made in accordance with the principles outlined in the prospectus. Notification regarding the allotment of shares to be registered at Euroclear Sweden and traded on Nasdaq Stockholm will be sent only to those who have been allotted shares. Notification regarding allotment of shares to be registered at Euroclear Finland and traded on Nasdaq Helsinki will be sent both to those who have been allotted shares and to those who have not been allotted shares. As a result of the rights issue, SSAB's share capital will increase by SEK 4,229,190,380.80 from SEK 4,833,360,488.00 to SEK 9,062,550,868.80 in total, and the total number of shares will increase by 480,589,816 from 549,245,510 to 1,029,835,326.

The new class B shares subscribed for with subscription rights were registered by the Swedish Companies Registration Office ("SCRO", Sw. Bolagsverket) on June 23, 2016. The last day of trading in the interim shares ("BTA") is expected to be on June 30, 2016. Trading of the new class B shares is expected to begin on Nasdaq Stockholm and Nasdaq Helsinki on July 6, 2016.

The new class B shares subscribed for without subscription rights are expected to be registered by the SCRO on or about July 5, 2016 and are expected to start trading on Nasdaq Stockholm and Nasdaq Helsinki on July 7, 2016.

IMPORTANT NOTICE

The information in this press release does not contain or constitute an offer to acquire, subscribe or otherwise trade in shares, subscription rights or other securities in SSAB. Any invitation to the persons concerned to subscribe for shares in SSAB will only be made through the prospectus previously published.

This press release may not be released, published or distributed, directly or indirectly, in or into Australia, Japan, Canada, the United States or any other jurisdiction where participation would require additional prospectuses, registration or measures besides those required by Swedish, Finnish, Danish, British and Irish law. Nor may this press release be distributed in or into such countries or any other country or jurisdiction in which distribution requires such measures or otherwise would be in conflict with applicable regulations. Any failure to comply with the restrictions described may result in a violation of applicable securities regulations.

No subscription rights, paid subscribed shares or shares in SSAB have been or will be registered under the United States Securities Act of 1933, as amended (the "Securities Act") or the securities legislation of any state or other jurisdiction in the United States and no subscription rights, paid subscribed shares or shares may be offered, subscribed for, sold, resold, delivered or otherwise transferred, directly or indirectly, in or into the United States except under an available exemption from, or transaction not subject to, the registration requirements under the Securities Act and in compliance with the securities legislation in the relevant state or any other jurisdiction of the United States. There is no intention to register any securities referred to herein in the United States or to make a public offering of the securities in the United States.

This press release contains certain forward-looking information that reflects SSAB's present view of future events as well as financial and operational development. Words such as "intend", "assess", "expect", "may", "plan", "believe", "estimate" and other expressions entailing indications or predictions of future development or trends, not based on historical facts, constitute forward-looking information. Forward-looking information is inherently associated with both known and unknown risks and uncertainties as it depends on future events and circumstances. Forward-looking information is not a guarantee of future results or development and actual outcomes may differ materially from the statements set forth in the forward-looking information.
